

Emotional Intelligence and Beyond

Overview

Emotional Intelligence (EQ/EI) and related terms are on the lips of most managers and leaders at the moment. Ironically very few would understand precisely what is involved nor would they understand how it might be developed. This module will explore the key components of EQ/EI and how it can be developed and enhanced. In addition, the workshop will explore some of the associated myths and how we can create a positive EQ/EI workplace.

Content

Topics to be covered include:

- The history and evolution of EQ.
- The dominant schools of EQ/EI thought.
- Assessing your EQ/EI.
- Building your EQ/EI.

Outcomes

Participants have the opportunity to:

- Understand what EQ/EI is and isn't.
- Assess your own EQ/EI and develop an action plan to enhance it.
- Recognise the value of EQ/EI to enhance work functioning.

Who should attend?

Staff and managers at all levels who are looking to enhance their dealings with colleagues.

Benefits to you and your organisation

By switching on your EQ/EI we hope this module will enhance your personal and professional capacity. By participating in this workshop your agency will receive back a participant who better understands themselves and others.

Pathways:

This course is part of the extended series, **Emerging Executives and Development Series: A Pathway to SAES**. You can register for the entire series and receive a 10% discount or register for individual sessions that meet your needs.
