

# Team Power

## Overview

Perhaps the greatest untapped potential within organisations is the failure to build and maintain genuine synergistic teams. This workshop will explore the practical and straightforward techniques that managers can apply in order to knit a group of people into an engaged and united team using tried and proven methods from Katzenbach and Smith, Tuckman, Collins and West.

## Competency Framework:

Middle Manager Common  
(ASO7- ASO8- MAS03)

## Facilitator:

Scott Way

## Content

Topics to be covered include:

- Managing the People Issues.
- Understanding the Strategic Imperative.
- Team Multilingualism.
- Building the Spirit.
- Dealing with the Bad Apple.

## Outcomes

By the end of this course you will be able to:

- Design a team model that suits your work.
- Manage the people issues within a team.
- Develop a team development plan.
- Recognise and consider ways to manage the difficult staff member.

## Who should attend

This workshop will be of greatest benefit for those who are managing or responding to changes in the workplace.

## Benefits to you and your organisation

Participants will sharpen their teambuilding skills and a structural, interpersonal and cultural level. If you apply the techniques covered your agency will have a 'genuine team' working effectively to achieve its goals with staff who are motivated to contribute.

## Pathways:

This course is part of the extended series, **Emerging Executives and Development Series: A Pathway to SAES**. You can register for the entire series and receive a 10% discount or register for individual sessions that meet your needs.
